**NOTE 4.**

PHILADELPHIA, PA.

SWITCHING ABSORPTION ARRANGEMENTS  
APPLICABLE ON TRAFFIC TO AND FROM SIDINGS, INDUSTRIES OR FREIGHT YARDS  
LOCATED ON BALTIMORE AND OHIO RAILROAD

The switching charges of the Baltimore and Ohio Railroad, at Philadelphia, Pa., as published in its tariff lawfully on file with the Interstate Commerce Commission and Pennsylvania Public Utility Commission, will be absorbed out of the rates currently in force to or from Philadelphia (Broad St.), Pa., as published in tariffs of the Reading Company and connections (See Notes A, B, D, E and F), unless otherwise stated in tariffs, on carload traffic (See Note C), through, to and from sidings, industries or freight yards (not freight houses), located on its tracks in Philadelphia, south of Callowhill Street to East Side, inclusive, also Delaware Branch, from Intersection at East Side, Pa., to Reed Street (Spreckel's Siding), inclusive, via Park Junction, Pa.

**NOTE A** - Will apply on traffic originating at or destined to points in the territory on or east of the Niagara River, thence the line of the Erie Railroad from Buffalo, N.Y., to Salamanca, N.Y. (through Dayton, N.Y.), thence the Baltimore and Ohio Railroad or Erie Railroad to Brockway, Pa., through Bradford, Pa., Mt. Jewett and Johnsonburg, Pa., thence Baltimore and Ohio Railroad to Dubois, Pa., and C. & M. Junction, Pa., inclusive, thence an imaginary line from Dubois, Pa., to Shippensburg, Pa., thence via Reading Company to the Susquehanna River (including Gettysburg Branch points), thence via the Susquehanna River to the Pennsylvania-Maryland State Line. Excepting when destined to or originating at points on the Pennsylvania Railroad.

**NOTE B** - Will not apply on traffic which has reached Philadelphia on Reading Company tracks and which is subsequently reconsigned to any of the sidings, industries or freight yards located within the district named above (on B. & O. Railroad); nor upon traffic which originates at or is destined to Philadelphia Stations of the Reading Company as named in Rule 5, in I.C.C. No. 2351, Pa. P.U.C. No. 1453, or reissues; nor upon traffic, subject to per car rates, originating at or destined to East Falls, Pa., Manayunk, Pa., Pencoyd, Pa., Shawmont, Pa., and Wissahickon, Pa.; nor upon traffic originating at or destined to points on the Philadelphia and Chester Branch, Reading Company, Grays Ferry, Pa., to Marcus Hood, Pa., inclusive as specified in I.C.C. No. 2340 Pa. P.U.C. No. 1443.

**NOTE C** - On commodities as specified in B. & O.R.R., I.C.C. No. 23555, Pa. P.U.C. No. 3564, supplements thereto and reissues thereof, the B. & O.R.R. switching charges will be absorbed on carload traffic and less than carload shipments (as provided in Rule 8, Page 4 Reading Company I.C.C. No. 2287, Pa. P.U.C. No. 1408) moving in both directions, between Park Junction, Philadelphia, Pa., and private sidings, East Side, Philadelphia, Pa.

**NOTE D** - On Sugar in single lots of 20,000 pounds or more, the restrictions as named in Note A will not apply. The B. & O.R.R. switching charges will be absorbed regardless of the location of destination, except when destined to Philadelphia, Pa., and to points on or via the Pennsylvania Railroad.

**NOTE E** - The switching charges of the B. & O.R.R. will not be absorbed on shipments of COAL AND COKE (the direct product of Coal).

(For information concerning certain deliveries of coal and coke which can be made to the industries served by the Baltimore and Ohio Railroad, consult J.P. Stewart, General Coal Freight Agent, Reading Terminal, Philadelphia 7, Pa.)

**HAY AND STRAW  
MANURE**

**NOTE F** - The restrictions as named in Note A, will not apply on traffic destined to or coming from joint Reading Company-Baltimore and Ohio Railroad Fruit and Produce Yard and Storage Warehouses, located on the Baltimore and Ohio Railroad at Delaware Avenue and Wolf Street. On carload traffic destined to or originating at this yard and warehouse, the switching charges of the Baltimore and Ohio Railroad will be absorbed regardless of the point of origin or destination.
