						1

NOTE: All Stops for the purpose of picking up or setting off cars (other than Shop Cars) must be shown. When cars are picked up or set off at foreign line junction points state whether non-interchange cars were included in the pick-up or set-off. Stops made doubling hills not to be stops and to be setting to the property of the prop

- which it began, and une time at which the deadheading began and ended and the train heading, the place and time at which the deadheading began and ended and the train on which the employee deadheaded will be shown, when a crew or employee is relieved horizon the completion of a trip, the name of engineman of the crew relieving or 3.—Under "Remarks" shall be shown any irregularities of the hours of duty. If an employee is released from duty for any period between the time of first going on duty and the time finally relieved from duty, other than scheduled release of programmed passenger runs to be indicated under details of service, such fact must be shown under "Remarks" giving the place at which the release is given, the time at which it began, and the time which it ended. If the whole or part of service is dead-

the name of the employee relieving will be shown.

4.—Wherever time is shown A. M. or P. M. shall be given.

5.—In reporting delays, the cause of each delay, the place at which it occurred, the time it began and the time ended shall be given. Delays due to different causes
